The Lynnfield Fire Department is currently accepting registration for our monthly CPR class. The January class and is scheduled as follows:

Monday, July 26, 2010
Healthcare Providers

5 PM – 9 PM
\$50 (includes book/mask)

This program is the full Healthcare Providers certification class and a refresher class for Healthcare providers currently certified at the BLS Healthcare level by the American Heart Association.

The Lynnfield Fire Department will no longer be offering the CPR for Friends and Family program on a monthly basis. In lieu of this program we are offering the CPR for Friends and Family Anytime program. Family & Friends CPR Anytime is a personal learning product that teaches lay people, in the comfort of their own homes, the core skills to perform Adult and Child CPR in just 22 minutes. CPR Anytime instructs the user in a “practice-while-watching” (PWW) format with the aid of a 22-minute instructional DVD, a personal, inflatable manikin with integrated adult/child compression clicker, and the American Heart Association Family and Friends CPR Student Book. If you would like to purchase the Friends and Family Anytime program please contact Michael Feinberg at (781) 334-5152. The program cost is \$40.

Please register for class by sending full payment (make checks out to Town of Lynnfield) with your name, address and phone number to:
