2. Signatures we obtained for invoices.
3. Dick Shaffer wanted to discuss the rule of no dogs within the new field's complex. He states the bylaw says you may have a dog on town/school property as long as they are on a leash and under your control and have a bag. He agrees dogs should not be allowed on the turf fields. He would like to be allowed to walk their dogs around the walking path. After much discussion we are going to follow up with Jim Boudreau & Council Tom Mullin and then get back to Dick.
4. Julie updated the committee on the following programs:
Karate, middle school & elementary school track and bootcamp are off to a great start. The upcoming programs are early release days for middle school kids, once a month nights out, movie nights, indoor street hockey and our Second Annual Taste of MarketStreet which will be Oct 11th. Julie is also working on a Community Halloween Party. It would be on the Common on Friday Oct 30th.
5. Matt, Joe, Bob & Julie met with Jim Boudreau, Andrew Lafferty, Phil Crawford, Mike Beirwirth & Jane Trembly to start the discussion of field & amenities building maintenance. We decided the bathrooms should be open every day and locked by the custodian during the week. Julie, Joe & Mike will provide Andrew with a better idea of how many attendees' are anticipated at each game to the best of their knowledge. We will also contact LAA to see when the snack shack will be open and relay that to DPW. Joe and Andrew will be working on what a maintenance schedule would look like. We will regroup after town meeting.
