How Do I Dispose of Appliances/White Goods?

The Town offers a curb side White Goods (appliances) collection program on the third week of each month. Each item **MUST** display a recycling sticker issued by the DPW. Stickers must be purchased in the DPW office no later than 1:00pm on the Friday before collection pickup. JRM will pick up your item on the day of your trash pickup in a separate truck. As of July 1, 2021, sticker fees are \$30 (\$60 for any TV or computer screen larger than 36")

Accepted appliances/white goods:

- Freezers
- Air Conditioners
- Wash machines
- Dryers
- Trash compactors
- Dish washers
- Microwaves

Note: Small appliances and electronics *in good working condition* may be brought to [Goodwill](#) or to [Savers](#). These items include microwaves, toasters, bread machines, fans, hand mixers, etc.
