Dear Emilie,

I have been asked to request a continuance of the public hearing from the October 26, 2022 Lynnfield Planning Board's meeting to its November 2, 2022 public meeting without taking testimony on the Vallis Way Subdivision matter.

The geotechnical firm has finally sent their official written report to Peter Ogren who has shared it with Bill Jones, but with little time to review by this Wednesday night's meeting.

Based on Mr. Ogren's information we hereby request a continuance, without testimony or presentation, of the Vallis Way Definitive Plan Public Hearing from your October 26th, 2022 public meeting to your meeting on November 2, 2022 at 7:00 PM and an extension of the date upon which final action must be taken to November 4, 2022.

Please confirm.
