Dear Emilie,

I have been asked to request a continuance of the public hearing from the August 31, 2022 Lynnfield Planning Board's meeting to its September 28, 2022 public meeting without taking testimony on the Vallis Way Subdivision matter.

The reason for this continuance request is based on this explanation from Peter Ogren: "Confirming a discussion on Friday August 12 the geotechnical firm doing the analysis for the basin needs additional time to do testing to verify some of the parameters utilized, as a consequence we are not making the changes to the definitive plan for submission this week, and there will not be sufficient time for Bill Jones to review the information (prior to the August meeting). We would like to amend the schedule to provide all information by the middle of next month (September) Anticipating final approval at the September 28th Regularly scheduled planning board meeting."

Based on Mr. Ogren's information we hereby request a continuance, without testimony or presentation, of the Vallis Way Definitive Plan Public Hearing from your August 31, 2022 public meeting to your next meeting on September 28, 2022 at 7:00 PM and an extension of the date upon which final action must be taken to September 30th, 2022.

Thank you.

Jay Kimball, Esquire
