## Roadway Corridor Improvements of Summer Street

# Project Limits

# Town of Lynnfield: Roadway Corridor Improvements of Summer Street

# Funding

- Federal money administered by MassDOT through the Transportation Improvement Program (TIP)
- Project selected by regional transportation organization made up of local cities and towns
- Other benefits include full / partial payment for necessary upgrades to utilities
- Local responsibility is to pay for design
- Project must follow federal and state design guidelines
- Project would not be under construction until 2026

# Benefits

- Provides for a healthier community of all ages including accessibility for the elderly and disabled
- Increased safety for bicycles
- Safer walking/running surface for pedestrians
- Smoother surface for stroller use
- Safer conditions for pet walking
- Opportunities for increased number of trees
- Reduced negative impacts from Summer Street drainage into Pillings Pond

# Recent TIP Project *West Street, Reading*

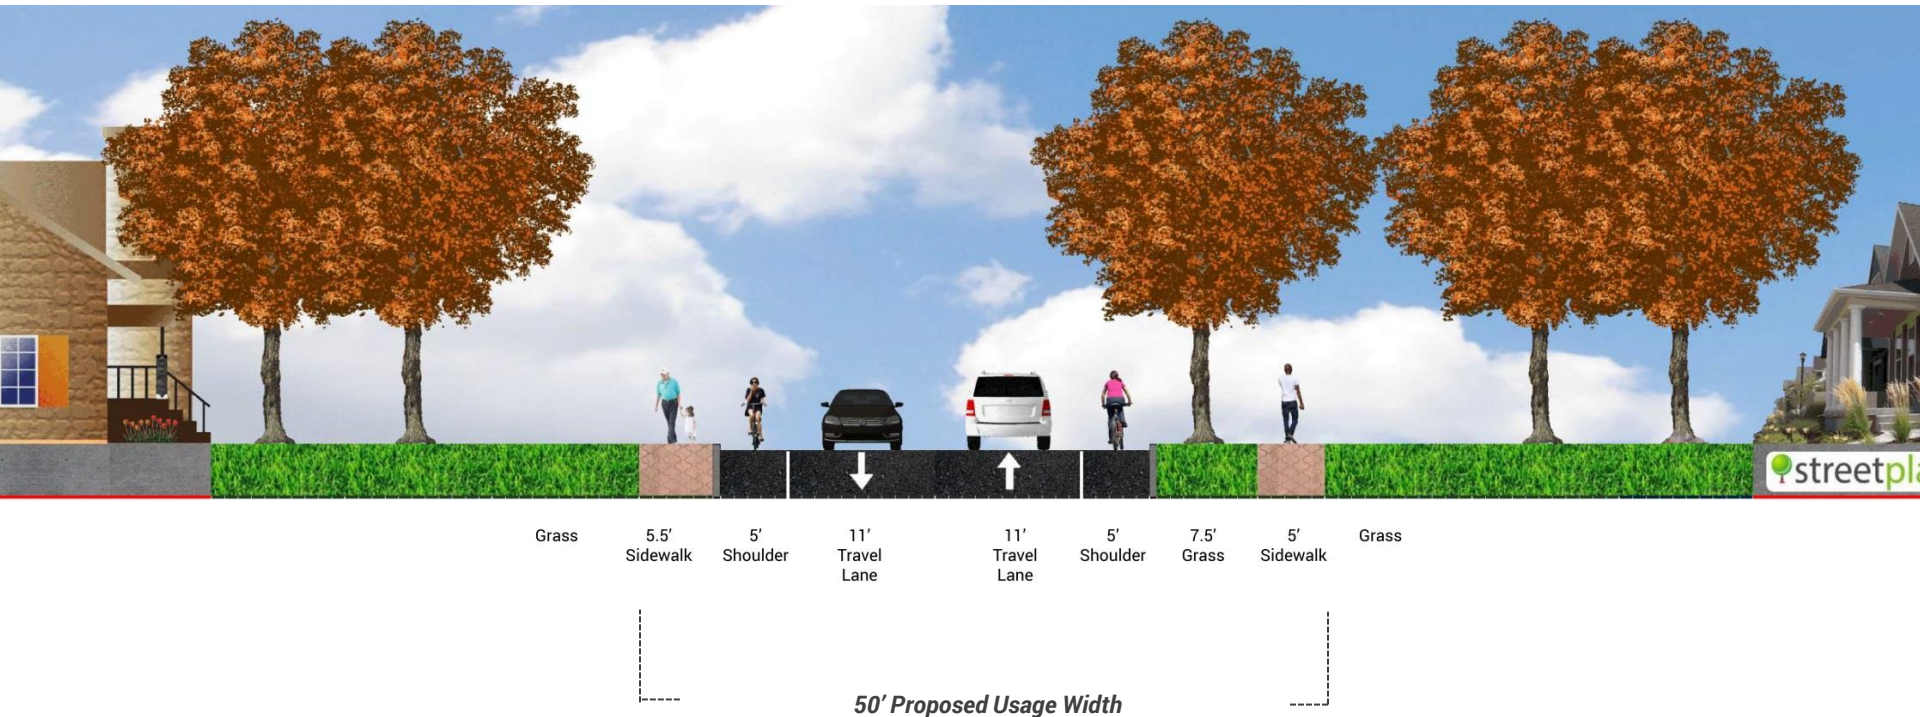

# Typical Section and Alternative

- Sidewalks
- Handicap Accessibility
- Increased Safety for Bicycles
- Curbing

# Summer Street Proposed Plan

## Summer Street Alternative (As Needed)

# Town of Lynnfield: Roadway Corridor Improvements of Summer Street

## Summer Street 0.2 Mile Section 1

*Golf Course*

32'  
Existing Roadway

4'  
Grass

5.5'  
Sidewalk

41.5' total public use

# Town of Lynnfield: Roadway Corridor Improvements of Summer Street

## Summer Street 0.6 Mile Section 2

*Todd Lane*

4.5'  
Sidewalk

4'  
Grass

31'  
Existing Roadway

5'  
Grass

5.5'  
Sidewalk

**50' total public use**

# Town of Lynnfield: Roadway Corridor Improvements of Summer Street

# Summer Street 1.3 Miles Section 4

*Near Elliot  
Street*

4.5'  
Sidewalk

3.5'  
Grass

33.5'  
Existing Roadway

**41.5' total public use**

# Town of Lynnfield: Roadway Corridor Improvements of Summer Street

# Town of Lynnfield: Roadway Corridor Improvements of Summer Street

## Summer Street 1.9 Miles Section 6

**44.5' total public use**

*Greenwood Road*

# Town of Lynnfield: Roadway Corridor Improvements of Summer Street

## Summer Street 2.3 Miles Section 7

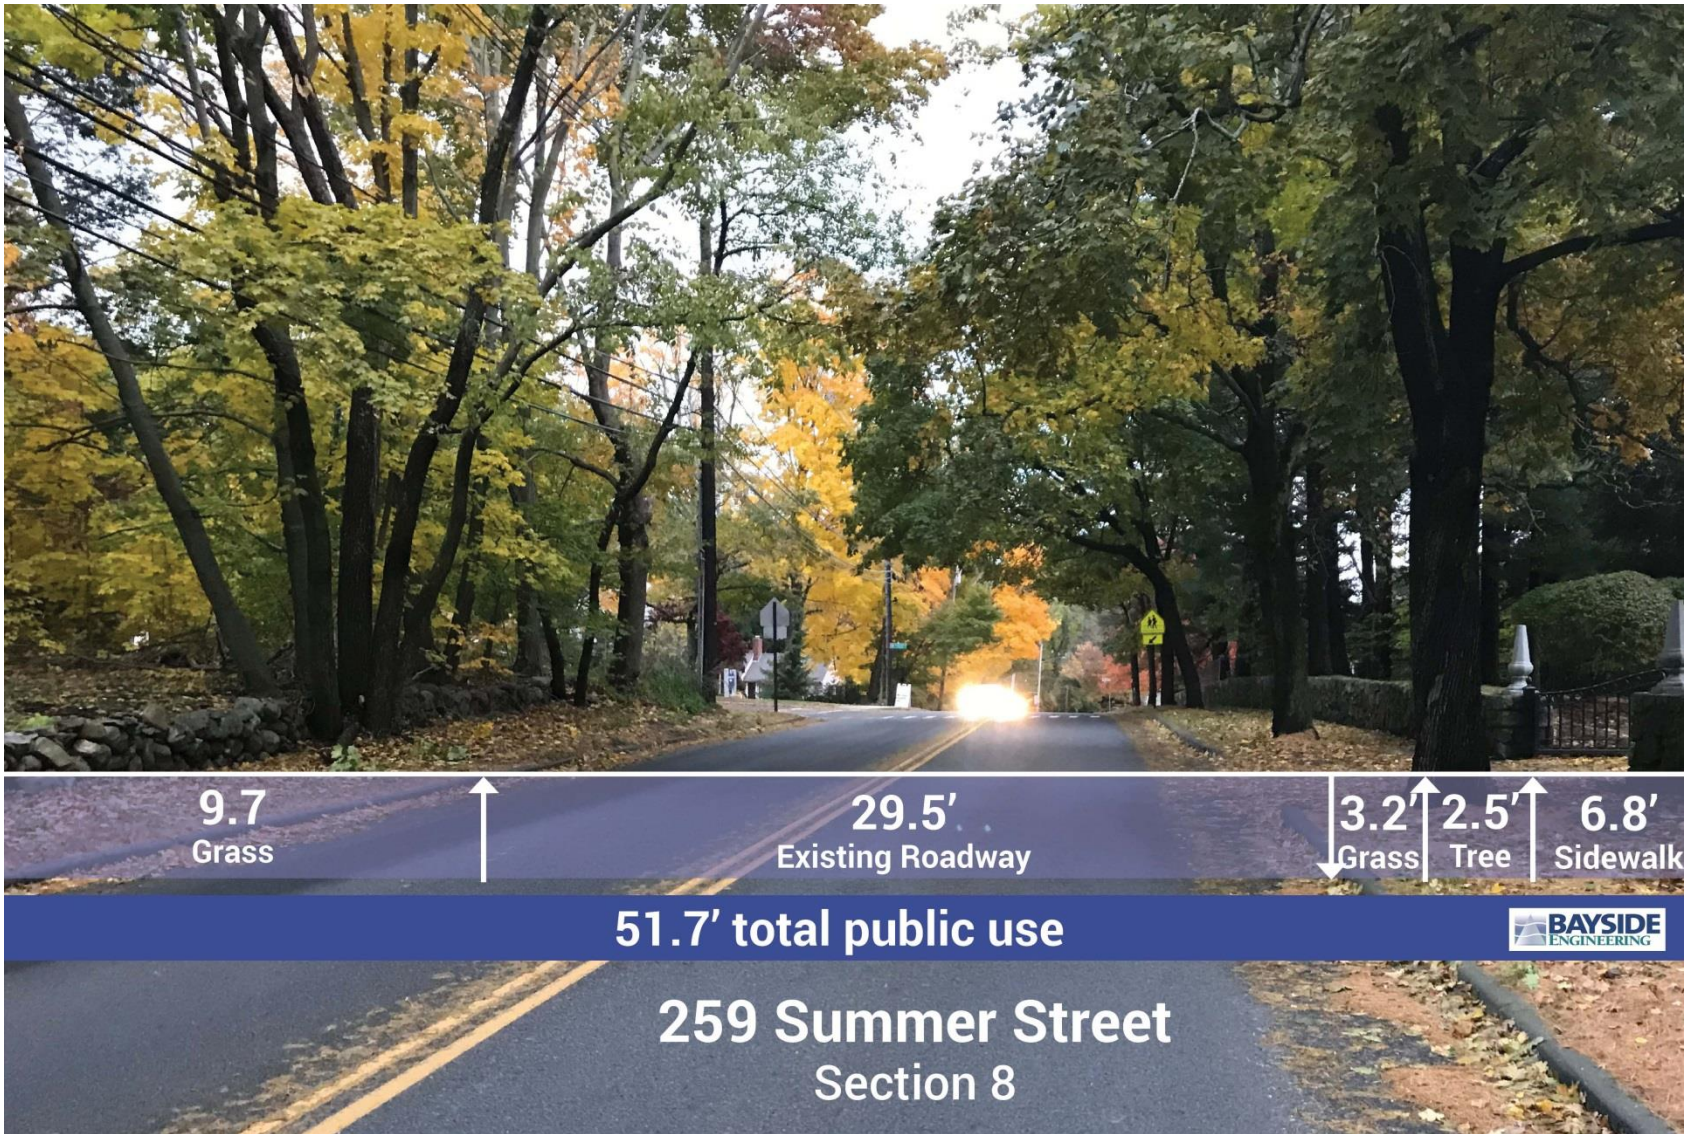

*Fletcher Road*

**43.5' total public use**

# Town of Lynnfield: Roadway Corridor Improvements of Summer Street

# Drainage

## Opportunities:

- Enhanced pollution reduction and better storm resilience
- Increased pavement lifespan
- Elimination of “puddle” areas
- Lower maintenance needs
